

mémoire involuntaire (Marcel Proust)

9th ICCCIA Berlin | Germany 2022

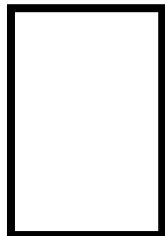

German photographers Gerhard Haug and Georg Krause looking for submissions of twin photos (same size)

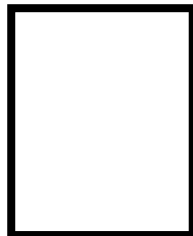

- one showing a piece of cast iron art
- the other the furnace that melted the iron or at least a recognizable detail of it.

In the gallery participating in the conference the selected images will be presented as prints in the following sizes (each part of the twinsets):

height 30 centimeters – width 20 centimeters
height 30 centimeters – width 24 centimeters
height 30 centimeters – width 40 centimeters

Portrait format:
H 30cm x W 20cm

Portrait format:
H 30cm x W 24cm

Landscape format:
H 30cm x W 40cm

The selected files will be produced in Berlin. For the submission please send files between 4 MB and 15 MB, but please bear in mind that selected artists will have to send bigger tif. or raw-files. Please submit only images that will meet this second-step-requirement.

Now requested things:

at least 1 image of the portrayed cast iron art piece (combinations with other materials are allowed for that piece) plus 1 image of the furnace that melted the iron or details of it

Please name the files like that:

1art_artist name_title of piece

1fur_artist name_title of piece

2art_artist name_title of piece

2fur_artist name_title of piece

...and so on. Each artist is allowed to submit up to 5 twinsets.

Please send these images together with a pdf list including the following information:
